

T.T.A 4T : CAP BON

PROGRAM:

The trip will start with the visit of a pottery workshop in Nabeul. Then leaving to Kélibia via Korba and Menzel Tmim. Visit of the fish port and the fort of Kélibia.

Then the tour continues to Haouaria, a small fishing village which is around 90 km from Sicily. In our way to Haouaria visiting the Punique sites of Kerkouan.

After lunch visiting the Village of Korbous known since Roman times for its thermal springs.

Come back to the hotel at 18H00.

DESCRIPTION:

Spend a day exploring the natural beauty of the CAP BON PENINSULA. Admire the skills of the potters at work;

Visit the centre of the carved stone and the co-operative of the traditional weavers, stroll along the richest fishing harbor, and walk around one of the oldest settlements in North Africa and one the main stone quarries of the bygone days. All this in a very lush area known as the hidden gardens of TUNISIA.
